

Pursuant to the terms of the Agreement, the parties seek to stay this litigation pending the closing of the transaction. Accordingly, the parties jointly request that the Court: (1) vacate the current scheduling order, which was last amended on December 12, 2011; (2) cancel the next status conference, which is currently set for February 6, 2012; and (3) stay all activity in the case for 90 days while the parties seek to close the transaction.

The parties will notify the Court immediately upon either the closing of the transaction or the termination of the transaction. At that time, the parties will either seek to dismiss the case (upon closing of the transaction) or seek to set a new case schedule (should the transaction be terminated).

Plaintiff Massachusetts Institute of Technology ("MIT") consents to this motion.

Respectfully submitted,

AKAMAI TECHNOLOGIES, INC. and
